

February 7, 2016

Dear CUSA Members,

In my letter to you last month, I indicated that the Board of Directors would be discussing the relevance of raising exam fees to cover the rising cost of airfares to send out examiners.

Pursuant to their recent board meeting, February 7, 2016, the exam fees will be increased as of **July 1, 2016** as follows:

- Primary through Grade 7 - **\$5.00 increase per level**
- Major exams Grades 8 – 10 - **\$10.00 increase per level**

Exam fees are posted on the electronic Excel spreadsheet under the tab entitled “Summary of Entries”. There you will see the current charges for each exam level.

As well, I am pleased to announce that the Board has also voted to increase the host per diem for hotel expense as follows:

- **up to \$125 per day, as of July 1, 2016.**

Respectfully,

Betty Seibert
